## *Humanism in the Low Countries*

A Collection of Studies Selected and Edited by Gilbert Tournoy

### Professor Jozef IJsewijn's most relevant essays collected in one volume

*Jozef IJsewijn. Humanism in the Low Countries* contains twenty-one essays written by the late Professor Jozef IJsewijn during the period 1966-1996. All essays were selected by his pupil Professor Gilbert Tournoy, who collaborated with him since the foundation of the *Seminarium Philologiae Humanisticae* in 1966 until his untimely death in 1998. They are now published in one volume in homage to the most brilliant scholar in the field of Neo-Latin Studies of the twentieth century.

A number of contributions focus on the life and/or work of a single humanist from the Netherlands, others have a more general nature and deal with the very beginning and the later blossoming of Neo-Latin literature in the Low Countries or with the relationship between humanism in the Low Countries and in other European countries.

**GILBERT TOURNOY** is Emeritus Professor of Classical, Medieval and Renaissance Latin at KU Leuven. His research focuses on Latin Literature of the Italian Humanism and Humanism in the Low Countries.
