

The Max Weber Centre for Advanced Cultural and Social Studies of the University of Erfurt invites applications for a position at the Research Centre „Dynamics of Jewish ritual practices in pluralistic contexts from Antiquity until today“ (co-organised by the Max Weber Centre together with the Theological Research College and the Research Centre Gotha) starting in September or October 2015:

Scientific Coordinator

100 % (40 h/week), Entgeltgruppe 13 TV-L

Tasks

- Coordination of the fellow and doctoral programmes and the research activities of the Centre, including conferences
- Pursuit of a research project within the thematic field of the Research Centre (History of religion, Theology, Jewish Studies, Musicology)
- Public communication of research activities (in English and German)
- 2 hours teaching per week (in English or German)

Profile of the candidate

- a PhD in one of the fields of the Research Centre as listed above
- excellence in research
- a working knowledge of German and English and the languages relevant for the research pursued
- proven ability to participate in interdisciplinary cooperation within the larger context of the Max Weber Centre
- suitable evidence for management of research and public communication about research

Further information is published on : www.uni-erfurt.de/max-weber-kolleg

Further remarks

The position is subject to all regulations of § 84 Abs. 4 Thüringer Hochschulgesetz.

The initial contract will be for two years, but could be prolonged until the end of the project in 2020.

Please contact for further information Prof. Dr. Benedikt Kranemann (benedikt.kranemann@uni-erfurt.de) or Prof. Dr. Jörg Rüpke (joerg.ruepke@uni-erfurt.de).

The University of Erfurt is an equal opportunity employer and certified as family friendly. It encourages the application of female candidates. Handicapped persons will be prioritized if their suitability, ability, and specific qualification is equal.

Application/deadline
