*In libris libertas...
Nulla dies sine litteris...
Na een rijk leven tussen de boeken...*

In loving memory of

Jeanine De Landtsheer

daughter of Gerard De landtsheer (†)
en Liliane Vergaelen (†)

Born on January 18, 1954 in Mechelen and
suddenly passed away on January 18, 2021 in Hove

The funeral service and burial of Jeanine was held
together with her closest family on Friday January 22,
2021 at 11 A.M.

Being a Great Sister since childhood
she has always felt very responsible for us.
As an aunt she overcharged us
with presents and cards.
As a colleague we enjoyed
your warm personality and collegial helpfulness.
As a scientist we will always remember
your energetic passion for the research on Lipsius.
For everyone, you constantly could tell
an anecdote, gave a clue for a good book,
a piece of music, an attraction, a delicious receipt...
We will miss you
and at the same times lots of your things
will continue living among us...
